**Awareness Program on “Eradication of Child Marriage”**

The Prohibition of Child Marriage Act 2006 came into force on 1 November 2007 in India. The object of the Act is to prohibit solemnization of child marriage and connected and incidental matters. To ensure that child marriage is eradicated from within the society, the Government of India enacted Prevention of Child marriage Act 2006 by replacing the earlier legislation of Child Marriage Restraint Act 1929.

To create awareness about the act KPRIM organized an awareness program on 1st November 2022 in Ghanapur village. Students are educated about how child marriages pose a greater risk for the child, both physically and mentally. Also they are explained about various laws enacted against child marriage.
