National Education Day 2021

November 11 has been celebrated as the National Education Day since 2008. The date has been chosen to commemorate the birth anniversary of independent India's first education minister – Maulana Abul Kalam Azad. Maulana Abul Kalam Azad was a great freedom fighter and eminent educationist. He was responsible for setting up of apex bodies such as AICTE and UGC. IITs, IISc and School of Architecture and Planning were also his brainchild. One of the interesting facts about Maulana Azad is that even though he did not receive formal schooling, he was well versed in Urdu, Persian, Arabic, and Hindi. He was also a scholar of mathematics, philosophy, world history, and science. Maulana Azad was also a prominent journalist of his time and championed the cause of Indian Nationalist movement.

On November 12, 2021 has celebrated National Education day in the college. On this occasion Dr M. Ramana Kumar, Principal, KPRIM addressed the students and spoke about the importance of education, how it shapes our personality and our future.
